## NARRATIVE REPORT

☐ INTERIM☒ FINAL

1. The prototype optical equipment test kit was delivered to TSG/ESD/TEB and has been evaluated by TEB and RED personnel. Further evaluation will be performed by other components within NPIC and by other agencies.

2. Initial reaction to the prototype kit is that it should prove quite useful although in its present configuration it is too large and some of the items included in the kit are probably unnecessary. Based on these initial statements, it appears probable that there will be a follow-on procurement of revised test kits.

3. Throughout the performance of this contract [ ] 25X1  
[ ] has been very cooperative, has produced what was required 25X1  
on time, and has been amenable and responsive to requests. For  
these reasons [ ] has been rated above average in performance. 25X1

## 4. Total Authorized Funds:

Original Contract - [ ] 25X1

5. I hereby certify that all deliverable items under the terms of this contract have been received.
